1. Cover Sheet

2. Narrative (Maximum of 2-5 double-spaced pages)

A. Purpose of Grant

- Statement of needs/problems to be addressed; description of target population and how they will benefit.
- Description of project goals and objectives and statement as to whether this is a new or ongoing request.
- Plans to accomplish the goals and objectives. Research must include detailed methodology, instrumentation, and plans for data analysis.
- Timetable for implementation.
- List of names, qualifications (or resume), and job description of all the researchers or service providers in the project.
- Other organizations, if any, participating in the project and their roles.
- Long-term strategies for continued funding of this project at the end of grant period.

B. Evaluation

- Plans for evaluation, including how success will be defined and measured.
- How evaluation results will be used and/or disseminated and, if appropriate, replicated.

C. Finances

- Include a detailed, itemized budget. Be specific and justify each item or category. Items already available, such as duplication and computer support should not be included.
- List amounts requested of other foundations, corporations and other funding sources to which this proposal has been submitted.
